

# MLF Africa Cup Challenge 2025

Venue: Loskop Dam, Mpumalanga, RSA

Date: 7 – 9 August 2025

## TOURNAMENT FORMAT

It is an annual, three-day bass angling tournament with two competitions in one event. (The two competitions will run simultaneously and each boat's total bag weight will count for both competitions).

### Category #1 - MLF Africa Cup Challenge Team Event Champions

Each team consist of maximum THREE boats (two persons per boat).

The total combined weight of Day 01, Day 02 and Day 03 per team will determine who will be crowned **MLF Africa Cup Challenge Champions**.

Each boat (2 persons) will also be competing in the *MLF Africa Individual Champions* tournament.

### Category #2 - MLF Africa Individual Champions

Individual teams consist of two-man teams (maximum two persons per boat).

The total combined weight of Day 01, Day 02 and Day 03 per boat will determine who will be crowned **MLF Africa Individual Champions**.
